BUILDING A FAMILY OF FAITH IN JESUS CHRIST — THROUGH CATHOLIC WORSHIP, EDUCATION, & CHARITY.

NOVEMBER 28, 2021

FIRST SUNDAY IN ADVENT

God's Word is Spirit & Life

As the Word of God became Incarnate in our Blessed Mother through the power of the Holy Spirit, the Season of Advent invites us to practice 'Lectio Divina.' Reflecting on God's Word prepares our hearts to develop a deeper relationship with Jesus, family, and friends. Lectio Divina, or "Divine Reading," is a process of engaging with Christ in a contemplative way through the Word of God. Through this sacred exercise, we open into a closer relationship with the very Word, Himself, who communicates the love of the Father to us through the Holy Spirit. Lectio Divina has four steps: First, we attentively discover what God has said (Read). Next, we take it in and reflect on it (Meditate). Then, we engage with God until our hearts are lifted (Pray). Finally, after speaking to the Lord in prayer, we rest and listen for His message to us (Contemplate).

This process is a conversation with God, grounded in God's self-revelation to us, which helps us speak to God, focusing on what He has already told us about His relationship with humanity. God's Powerful Spirit *(GPS)* offers us His divine grace and guidance to live, love, and enjoy true life in abundance near Christ. Below is a brief description of each of the four steps.

Reading (Lectio): Read the passage slowly and allow it to sink in: If there is a passage that is particularly striking and that you want to keep with you, consider committing it to memory, or writing it down, so that you can reread it throughout the day and let it enter deeper into your spirit. "Faith comes from what is heard, and what is heard comes through the word of Christ. *(Romans 10:17)*

Meditation (Meditatio): Reread the passage, and when something strikes you or a question arises in you, stop and meditate. Think about what God may be saying through it. "I will ponder your precepts and consider your paths." *(Psalm 119:15)*

Prayer (Oratio): Speak to the Lord about what you have read and share what's on your mind and hear—offer and share with the Lord your thanksgiving, petition, concerns, doubts, or affirm back to the Lord the very word that He has spoken. "Ask, and it will be given to you; seek and you will find; knock, and the door will be opened to you." *(Matthew 7:7)*

Contemplation (Contemplatio): This is a quiet time, a time to rest in His presence and wait upon the Lord. It is a time where we allow the Lord to speak directly to our spirit from within us. It requires practice. However, this will enable us to be attentive to the Lord's voice. With regular practice, our ability to hear God's voice will grow in our daily lives and situations as we learn to focus our minds and hearts, thoughts, concerns, and hopes toward Him. "My sheep hear my voice; I know them, and they follow me" *(John 10:27)*

NEW! A PRAYER FOR THE FIRST WEEK OF ADVENT

O Lord, our God, as we enter this season of Advent,
help us to prepare for the coming of Christ, your Son.
Fill each of us with the love and hope of Christ.
Help us to wait with renewed prayer and joyful expectation
for your great light to shine upon the world, so that all who
are living in darkness will see the dawning of your light.
The world can be so dark, troubling, and full of despair,
May your light fill all the darkest corners of the earth,
and all the deepest places in our hearts.
O Lord, we need your help. Free us from sin and bring us to life.
Open our ears to your Word, so we radiate your love to the world.
As we begin Advent, give us the courage to always do your will.
This is the hope of Christmas, with the birth of Jesus Christ is
the gift of everlasting life, if only we believe and follow you.
Protect us from danger and lead us through the gloom
and darkness to the joy we can only find in you.
Lift us from our lowly sins and grant us the promise of salvation
with no more shame, only the light and saving grace of your love.
This we pray through your Son, Jesus Christ. Amen.

NEW! NEWS FROM OASIS OF PEACE

Recently, we received word from Sr. Maurice that a fire broke out in one of the dormitories. Luckily, all children are safe and unharmed, though they were a bit shaken up. Sister has taken time to speak with each of them to process their feelings, and she says they are freely sharing their experience, which she is taking as a positive sign towards their healing. We do not yet know the full extent of the damage or the cause, but we will keep you informed as we begin to work through the recovery process. We ask you to pray with us for all the children and those who care for them. God continues to provide for and protect these children. **To donate, please contact our partners at Brittany's Hope at 717-367-9614 or visit brittanyshope.org.**

THE SUNDAY REFLECTION

Jeremiah 33:14-16
Psalm 25:4-5, 8-9, 10, 14
1 Thessalonians 3:12-4:2
& Luke 21:25-28, 34-36

Reflection by Deacon Anthony Cincotta

I suspect that most of us have become accustomed to waiting. Waiting, whether we realize it or not, is an everyday part of our lives. Have you ever met someone who said they do not mind waiting at their supermarket, doctor's office, or service station? If you have, please have them contact me—I have many questions to ask them. My favorite is when the product I ordered will be delivered to my home between noon and 6 PM. Today, the First Sunday of Advent begins for us a different type of waiting.

In our first reading, God tells Jeremiah, " will fulfill the promise I made."Saint Paul addresses the Thessalonians, "Strengthen your hearts…at the coming of Our Lord Jesus." I am comforted by these directives because I know God understands my tendency to distract myself when I struggle with "waiting." I know I am in God's hands.

Advent is a time of waiting, or a time traditionally defined as 'preparation.' It is quite normal for us to begin planning menus, shopping for gifts, writing and addressing the annual holiday cards, and so on, since these are the usual ways to prepare for Christmas. However, one crucial part is left out of most plans.

In the Gospel narrative of Saint Luke, Jesus tells His disciples, "Be vigilant…pray that you have strength." Advent is a wonderful opportunity to consider what is inside us and a perfect time to reflect on the reason for our waiting. As we prepare and await the arrival of Jesus—the arrival of Love, in our hearts, we are anticipating the day the world changes forever.

During this wondrous season, take a few minutes every day to sit quietly to pray. Speak to the Lord about your day, especially the unresolved issues that occupy your mind. Allow the cares and distracting thoughts to come and go, and notice how you feel when you are alone with God. Offer up every feeling you are experiencing. Finally, concentrate on any movement, any emotion, any voice coming from within. It might not happen immediately, but it will happen. This Advent, God invites us into the most pleasant 'waiting' we will ever experience.

Question of the Day: *How will you prepare for the coming of Jesus, our Savior.*

Prayer: "*Show us, Lord, your love; and grant us your salvation.*" *Alleluia, alleluia.*

NEW! ST. VINCENT DE PAUL NEWS

This month, we supported a family of six. The father was hospitalized for over 30 days with COVID complications and could not work, which has wiped out their savings as he continues his recovery at home. With your donations, along with the help of other SVDP conferences, we purchased a $3500 multi-functional chair that will allow him to sit up and keep his oxygen level stable so that he can begin to work from home. He likely has a year-long recovery ahead; kindly remember him in your prayers.

If you learn of someone needing emergency aid, call Paul Feuerstein at 610-529-1672.
